Summary

Imagine what you could do here. At Apple, new ideas have a way of becoming great products, services, and customer experiences very quickly. Bring passion and dedication to your job and there's no telling what you could accomplish.

Just as our customers find value in Apple products, the Finance group finds value for both Apple and its shareholders. As part of this group, you'll play an integral role in ensuring our day-to-day financial health. You and your team will support Apple's growth, both top and bottom line, by applying the same level of innovation toward financial matters as we do toward our products and services. You'll also collaborate with Apple teams across the world to develop more effective investment strategies and risk management. Finance is essential to upholding our global dedication to excellence, and it is directly responsible for shaping the company's future. Join us, and you'll have a meaningful role in continuing Apple's legacy of efficiency and success.

Apple is looking for a multifaceted, highly motivated Business Analyst to join the Worldwide Product Marketing (WWPM) Business Management
